

Headstart Day Homework

To be handed in at your interview

You have been given a shield to decorate with **words**, **images** and **colours** that represent things that are important to you and show different aspects of your personality.

Some ideas of things you could include are:

- A flag from your country
- A picture of your family (you could use a real photograph if you would like to)
- A drawing of an object that is special to you (e.g. a football boot if you love football, a musical instrument if you play one)
- A greeting in your home language
- A drawing or cut out image of someone you admire (e.g. a famous singer, actor or sports personality)
- A drawing of your favourite things, (e.g. food, colour, T.V programme)
- A drawing or photograph of a special moment (e.g. a holiday, a wedding, an assembly you were in)
- An image to show something you are good at or really enjoy doing
- A drawing of a book cover or character to show what kind of things you like to read
- A drawing or photograph of your best friend
- An image that shows your horoscope sign (e.g. Pisces, Aquarius, Libra, etc..)
- Write your date of birthday on a birthday cake or balloons
- Draw an image that shows your favourite subjects at school

You will present your shield to your tutor group and explain what each section represents. All the shields will then be displayed around your tutor group room
so a high standard of presentation is expected!
